**When used with natural cork closure and stored properly.*

Coravin Timeless Screw Caps

The Coravin Screw Cap allows you to pour screw cap wines with the Coravin Timeless and preserve them for up to three months.

Coravin Timeless Aerator

The Coravin Timeless Aerator rapidly aerates wine as you pour with any Coravin Timeless Wine Preservation System, yielding silky, smooth, aromatic results equivalent to decanting for 60-90 minutes.

Coravin Timeless Needles

Coravin Needles are specially designed to pierce through natural or agglomerated cork and allow you to pour wine without opening the bottle, using Coravin Timeless Wine Preservation Systems.

Coravin Pivot™ Stoppers

Replace your wine bottle's cork or screw cap with a Pivot Stopper, and pour a glass at a time with the Pivot Wine Preservation System, preserving the remaining wine for up to 4 weeks.

Coravin Pivot™ Aerator

The Coravin Pivot Aerator rapidly aerates wine as you pour with any Coravin Pivot Wine Preservation System, yielding silky, smooth, aromatic results equivalent to decanting for 60-90 minutes.

Coravin Base

The Coravin Universal Base is a practical and striking way to display your Coravin Timeless or Pivot Wine Preservation System.
